NEW YORK, August 18, 2016 – Durante Rentals, LLC has once again been named to *Inc. Magazine's* exclusive list of 5000 of America's fastest-growing private companies – *The Inc. 5000*.

Coming in at #1643 (#71 in Construction) on the 35th Annual List, this is [Durante Rentals](#) fourth consecutive selection and highest placement to date. Their previous rankings were #1869 in 2015, #2098 in 2014 and #1879 in 2013. Durante Rentals made this year's list with a remarkable three-year sales growth rate of 228% and 2015 annual sales of \$15.8 million. During the same time period, they added a noteworthy 45 new jobs to the local New York economy.

"2015 was a special year for us, as we really scaled nicely and our financial performance proves it," said Chief Financial Officer, Christopher Jones. "We were ahead of budget all year and this is attributed to the hard-working and talented staff we have. From our drivers to the mechanics to the rental coordinators to the support staff, everyone worked together to produce fantastic results we can all be proud of," he said.

Inc.com referred to this year's winners as "Superheroes of the U.S. economy" and deservedly so. Durante Rentals joins some familiar faces on the list such as fellow ARA member [Nickell Rental](#) (#3885), Smashburger (#2243) and Omnibuild (#459), along with newcomers to the list such as Dollar Shave Club (#65) and Renewal by Andersen (#1090). You can see a complete list of past and present winners on the [Inc. website](#).

"We're extremely proud of our team for a fourth consecutive victory," said President, John Durante. "We understand how difficult it is to maintain this type of growth, but that is exactly what drives our team each end every day – to be better than yesterday," he said.
