NEW YORK, September 5, 2014 -- *Inc.* magazine has ranked [Durante Rentals](#) #2098 on its 33rd annual Inc. 5000 List, an exclusive ranking of the nation's fastest-growing privately owned companies. This is the second year in a row Durante Rentals has made the prestigious list, coming in at #1879 in 2013.

Durante Rentals joins other well-known winners, both past and present, like Yelp, Pandora, Dell, LinkedIn and Zillow as members of the Inc. 5000 list. You can see a complete list of 2014 winners on the [Inc. website](#).

"We are extremely honored and proud to have made the Inc. 5000 list for the second year in a row. It is a true testament to the hard work and dedication exemplified by every member of our team throughout the course of the year," said John Durante, President of Durante Rentals.

"To achieve this kind of consistent growth, year after year, is a credit to the unique business and financial strategy employed by the company in one of the most difficult and competitive markets in the Construction Equipment Rental Industry," said Christopher Jones, CFO of Durante Rentals.

This year's list of honorees is the most competitive crop in the list's history. Durante Rentals' three year growth was an impressive 191% making them truly one of the fastest-growing private companies in America. "To be mentioned in the same breath as other 2014 winners like GoPro, Tough Mudder and Bowlmor, makes us appreciate the award that much more. Our goal is to make the list next year and every year thereafter," said Anthony Durante, CEO of Durante Rentals.
